**NEW REGISTRATION SYSTEM**

In 2008 new rules require **ALL** players **AND** team representatives to have  
a laminated photo ID card.

For this to happen it is essential that **ALL** players, **ALL** coaches and **ALL** managers come  
to one of our registration days to get their photo taken by one of our webcams.

**We cannot accept a digital camera photo.**

Players, parents, guardians – we ask that you be **patient** with us while we implement this  
new system. This was not our idea and there are many photos that have to be taken.

**Without a webcam photo – no playing card will be issued!**

Due to this new rule we have divided registration days into age time slots to ease  
congestion. Please adhere to these times so that we can get this system up and running as  
smoothly as possible. We do understand that families will come together.

# Baseball 2008

We are now twelve weeks into the season I'm pleased to report that Raven's Baseball is once again showing their strength among the league. The U7's (5:4, 3WO) ranking in the middle of their group while the U10's (5:5, 2WO) are also in striking distance of the lead. A great result given the depth of teams participating this year.

With the introduction of Little League, and the changes to both rules and age groupings the teams have clearly demonstrated the capacity to grow in a game that is both challenging and exciting. Already we've seen the development of some young promising pitchers, great field plays, not to mention the batting in both teams that only adds to the excitement of the game. Those U7's are so much fun to watch, and the focus of the U10's is amazing. Spectators would agree that this summer competition is a great sport to watch and get involved in. We encourage everyone to come down and see for yourself...

Following on from last year we're continuing to use ELS Hall as our home ground. It's a little more conducive to baseball and this year we've added canteen services to the mix. Stay tuned as we continue to grow the strength of the club, increasing our presence in the Ryde Hornsby Baseball League.

If you'd like to get involved in the development of the club, want to take up any of the roles that make this sport successful or looking for a challenging sport to get your children involved, don't hesitate to contact me with any queries.

## CALL FOR VOLUNTEERS

The winter season is approaching fast, and we will need a band of volunteers to help with coaching, managing, setting up photo days, putting up nets – you name it, we will have a need for it.

With a very small group volunteering very long hours, the more people who express an interest, the more successful and enjoyable the club and the season will be.

Please let us know you are interested – simply call Christine Rudge on 0408277242 or 0414819799 or email [pepanrudge1@dodo.com.au](mailto:pepanrudge1@dodo.com.au)
