Grading Policy/schedule for Junior Soccer

One aim of the club is to nominate a team in the Gladesville Hornsby District competition at a level to suit the more talented and competitive children in each junior age group. Like in previous seasons, season 2010 will see all age groups with more than one team per age group graded into teams based on ability, making it fair for all club members. In the case of U14s where we only have a division 1 team, for players wishing to be eligible for selection into this team.

Grading trials will be on the dates below with teams announced at the end of the session. Due to the wet weather washouts, all players may also be expected to be available on Sunday 21 February for additional grading and/or final team announcements. If a player wishes to be considered for the graded team it is expected that they will participate in at the two of the trials.* Also only players registered with fees paid in full will be considered for grading, NO EXCEPTIONS.

The times and ground details are set out at the bottom of this notice but may be subject to change due to weather conditions. Please check the Gladesville Ravens website, www.gladesvillerravens.com.au, the Friday prior to each grading day for confirmation of times.

Please phone 0429 668 733 if subject to rain. A recorded message will notify if the grading day is postponed.

** Exceptional circumstances may be taken into consideration at the discretion of the grading committee where a child is unable to attend trial(s).*
